

NCDOT
Statewide Transportation Operations Center (STOC)
1636 Gold Star Drive
Raleigh, NC 27607
(919) 825-2400

The STOC is located between Reedy Creek Road and District Drive (both off of Blue Ridge Road very near Wade Avenue.) It is on Gold Star Drive but there is no street sign yet so don't look for this. When you get close on District Drive or Reedy Creek Road just look for the black wrought iron fence. There are 2 entrances (guard shack). Enter at the one closest to District Drive (the 2nd entrance if you come in from Reedy Creek Road).

When you enter show your NCDOT ID at the guard station. If you do not have an NCDOT ID, your name will be on a list with security and you will be required to show your personal ID. Park in any unsigned spot in the lot and head towards the main entrance (the one with the solidor and the fountain.) Take the stairs down, located to the right of the statue. You will see the DOT /Emergency Management entrance at the bottom. Let the receptionist know who you are here to see.

Please note: Most cell phones don't work in our area of the building
